Staff

Mark Cardillo has been the Director of Hockey @ The Pond Ice Arena for over 10 years. He currently coaches The Pond Penguins Mite team, Delaware Ducks U-12 AA, and Tatnall's varsity team. He also runs skills clinics and camps for all ages and levels. He takes his ice hockey

knowledge and proven training abilities to the street this summer to better prepare his current ice players and also teach new players who are interested in ice and/or roller hockey.

Mark will have plenty of talented staff to assist with his hockey skill training as well as the day to day activities involved with the camp. Mark and his staffers are insistent on your children accomplishing the following:

- 1) **FUN while exercising**
- 2) **Developing hockey skills for future roller and ice seasons**
- 3) **Learning to work better as a team with coaches and counselors while always displaying great sportsmanship!**

Players will have optional and limited opportunities for ice time throughout the weeks on rainy and extremely hot days.
