X-ICE Rules:

Teams will play two 30 minute 3 vs. 3 games during each ice slot (1 Friday and 1 Saturday)

Each game will consist of two 15 minute halves

Coaches will keep score only for seeding purposes – players will not know (it is not important who wins but having the score will create competitive Sunday games).

All teams should have 1 goalie dressed for each game. If you do not have a goalie you can defend a mini-net.

All games will change lines at the buzzer (approx 1.5 minute shifts not including the time it takes for the players to get into play).

The offensive team will retreat to center ice briefly after goals and goaltender covers. This will allow the defensive team time to bring the puck back out into play.

Coaches will speak to their own players committing infractions and those players will miss the remaining time of their shift.

Teams can use bumpers as benches for their players.

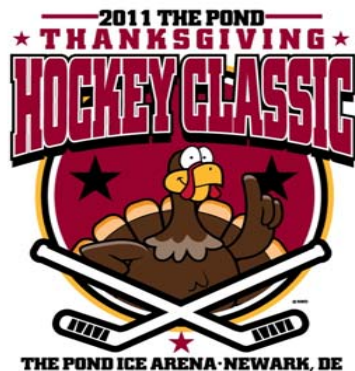

Championship Sunday will showcase semi-finals (1 vs 4, 2 v 3, 5 v 8, 6 v 7). The winning teams will play each other and the losing teams will also play a consolation.

Every player will receive a medal regardless of winning or losing.

LOCKER ROOMS

Because of limited locker rooms, 3 teams can use the party room, 1 team in an away locker room

2 teams in a HOME locker room. Additional benches will be around the OLY rink as well for players to change. Half dressing mites before arriving will save on time.
